

### **Criteria for Promotion**

1. The promotion of a child shall be determined by the Principal in consultation with subject and class teachers.
2. Promotions will be made only at the end of a School year. To gain promotion from one Class to another, children must have spent one year in the lower class and have fulfilled the conditions for Class Promotion.
3. Promotion once refused will not be reconsidered under any circumstances.  
When a child is admitted on a Transfer Certificate, he/she will not be placed in any class higher than that for which the certificate shows him or her to be qualified: nor shall he, or she be promoted before the end of the year.
4. Children failing twice in the same class will have to be withdrawn.
