DIRECTIONS TO CANDIDATES

The pupils are advised to follow the directions mentioned below:

1. Be seated in the Examination Hall / Room five minutes before the time fixed for the start of the examination in the subject. (Including reading time).
2. A candidate who arrives late will be required to give a satisfactory explanation and reason to the Supervising Examiner. Except in exceptional circumstances, a paper will not be given to any candidate who is more than half an hour late. Absolute punctuality is essential. Candidates are not allowed to leave the Examination Hall / Room before the conclusion of the paper
3. *If an Examination Paper for which you are not entered is handed to you, or if the questions indicate that a map or any other stationery should also have been given to you, bring it to the attention of the Supervising Examiner immediately.*
4. Read carefully any general instructions that may be given at the head of a paper, e.g., regarding number of questions that should be attempted, etc.
5. **You are advised to answer only that number of questions as mentioned in the question paper.**
6. On the top-sheet of the Main Answer Booklet, you are to put your signature in the space provided for the purpose. Do NOT write or scribble anywhere on the top-sheet.
7. Clearly write your UID (Unique Identification Number), Index Number and Subject on the top-sheet of the Main Answer Booklet in the space provided. This information should also be written on the front sheet of each continuation booklet used. If you are using loose maps, graph papers, etc. write this information on these also. **All entries on the Answer Booklet are to be made with Black/Blue ball-point pen / Fountain Pen.**
8. Write on **both** sides of each sheet of the Answer Booklet *unless the rubric of the question paper prohibits this*. While writing leave a margin at both the right-hand and the left-hand edges. Begin the answer to each separate part of a question on a separate line.
9. Write the number of the question clearly in the left-hand margin at the beginning of each answer. **Do not copy the question. Be careful to use the same system of numbering as that used in the question paper.** Leave a line after answering each question.
10. Remember that handwriting and spelling will be taken into account. You may use a **Black/Blue ball-point pen / Fountain Pen** for writing your answers, but pencils may be used only for diagrams. Bring mathematical and drawing instruments and colour pencils for subjects for which they will be needed. **You are permitted to use Casio fx-82 MS (Scientific Calculator) or calculators of other makes with similar functions or calculators with only basic functions. Use of any calculator with features for retrieval of information during examination is not permitted.**
11. In addition to the time indicated in the timetable for writing the paper, 15 minutes time is given for reading the questions.
12. Read the questions very carefully. Time should not be wasted in writing information that is not asked for as no marks will be awarded for it.

13. Do not spend too much time on one or two questions so as to leave yourself no time to answer the others.
14. When the time allotted for writing the examination has concluded, arrange your answer scripts in a **SEQUENTIAL ORDER, THE FIRST PAGE AT THE TOP**, etc. See that the Main Answer Booklet/ Continuation Booklet/ Graph/ Map have your correct UID (**Unique Identification Number**), **Index Number and Subject Paper** written on them. Fasten them together at the left-hand top corner and hand them over unfolded.

Note:
